

PRIZE LIST OUT FOR YEARLY SHOW

Second Poultry Exhibit of Mississippi Valley Association to Be Big.

ATTRACTIVE PREMIUMS UP

Capable Men Have Been Secured to Act as Judges—Harmony and Good Show Motto of Society.

The premium list for the second annual poultry exhibit of the Mississippi Valley Fanciers' association, to be held at the new Coliseum in Davenport Thanksgiving week, Nov. 23-27, has just been published. At a meeting of the board of directors held last night at the offices of Dr. O. M. Myers the final corrections on the list were made.

Plans of the society are to make this show the largest ever held in the Mississippi valley. A majority of prominent breeders in this vicinity have already applied for entries.

"Harmony and a Big Show" is the motto of the society. O. L. McCord, Glen F. Richards, P. L. Savage and Julius Dhooge, well known poultry experts, have been secured to act as judges, and this is sufficient assurance that the prizes will be correctly placed. Entries in all divisions will be closed positively Nov. 20, Friday at midnight.

You Make Friends By Recommending A Reliable Kidney Medicine

Your representative called at my door yesterday meaning to leave a sample of your noted Swamp-Root, and I am certainly pleased to see anybody connected with the firm who makes a medicine which has done so much for me and my family. A few years ago I was suffering from a terrible pain in my back and when I was up around the house I had to walk with my body bent nearly double. If you had placed a thousand dollars above my head I could not straighten up to get it.

Hearing of Dr. Kilmer's Swamp-Root I sent to you for a sample bottle, and from the effects of that small amount I was sure it would help me, so I bought one bottle and it has cured me.

Shortly after that my husband, who was a coal miner, was suffering from kidney trouble and could not work, and I sent for some of Dr. Kilmer's Swamp-Root. He was in a terrible condition, but as the doctors had not given me any relief, I had more faith in Swamp-Root and it was well founded, for it did the work, and after taking a few bottles he was completely cured.

I daily recommend the use of Swamp-Root to my friends and neighbors.

Sincerely yours,

MRS. JOHN NORDQUIST,

Galeton, Penna.

THIRTEEN STATES NOW PROHIBITION

Arizona, Washington, Oregon and Colorado Join the Dry Column Tuesday.

Thirteen states now have laws prohibiting the sale of alcoholic beverages. The 13 include four states added to the "dry" list as the result of Tuesday's election. On the face of the returns prohibition has just been adopted by Arizona, Washington, Oregon and Colorado.

The states which prohibit the sale of liquor are:

1. Arizona.
2. Arkansas.
3. Colorado.
4. Georgia.
5. Kansas.
6. Maine.
7. Mississippi.
8. North Carolina.
9. Oregon.
10. Tennessee.
11. Washington.
12. West Virginia.
13. North Dakota.

Alabama at one time adopted a prohibition amendment, but later rescinded it. The part of Oklahoma that was formerly Indian territory is also prohibition, and South Carolina is large—so under various acts. In addition,

a score of states have local option laws.

ITCHED FOR 20 YEARS. RESINOL CURED IN 10 DAYS

Baltimore, Md.—"About twenty years ago both my legs began to itch from ankle to knee. Little pimples came out. The itching and burning was something terrible. I would start to scratch and could not stop. I would even scratch through the skin and that of course would leave a sore which I was compelled to bandage.

"I tried several prescriptions and treatments, but received not a particle of benefit—no more than if the treatments were cold water. I then began to have very little faith in anything and of course could do nothing but scratch away.

"After suffering constantly for twenty years, a friend recommended Resinol Soap and Resinol Ointment. From the very first application, I found relief, and was entirely cured in ten days. The itching and stinging sensations have ceased and my skin is as smooth as a child's." (Signed) Charles Warner, 1123 N. Stricker St.

Every drugist sells Resinol Soap (25c.), and Ointment (50c. and \$1).

Give Yourself a Test

If you can lay down a consistent saving plan and follow it for fifty-two weeks, the possibility is that you can then make larger plans and carry them to successful issues.

The first essential to a saving plan is DETERMINATION. Make up your mind this moment that you will save a certain sum every week at the German Trust & Savings Bank.

Then make good your intentions ONE WEEK AT A TIME. Give yourself this test. It will reveal your possibilities.
